Press Release

# **YANNIG LE ROUX IS APPOINTED DIRECTOR AT KEPLER.**

**KEPLER, a consulting firm specialized in end-to-end operational performance,** has appointed Yannig LE ROUX as Director.

Engineer graduated from Mines Paris – PSL and CSCP certified by APICS, **Yannig LE ROUX has been working for 18 years in the industry before turning to consulting** and joining KEPLER in 2019.

Yannig began his career by occupying, over a 10 years+ period, operational positions in the **Production, Procurement and Product Development fields**, in France first and in abroad countries.

Then he spent the 8 following years building a solid experience in the FMCG Industry, holding positions of **Packaging Procurement Management and Production and Engineering Management.**

Yannig has **a 360° vision of industrial challenges** and works on global diagnostics and transformation plans.

His operational expertise thus strengthens KEPLER in 4 of the firm's 5 expertises: **Operations, Innovation, Procurement and Supply Chain, along with his deep knowledge of the FMCG industry.**

## VERBATIM

«We are entering a crucial period for our customers with many challenges to overcome. I am particularly pleased with Yannig's contribution, both with operations and consultancy, which is essential today to help our customers get through this period with a peaceful mind. His knowledge and 'field' experience will support KEPLER's strong growth, particularly in the cosmetics, agrifood and consumer goods industries.»

Lionel Muller, President

## ABOUT KEPLER

KEPLER is a consulting firm specializing in the sustainable optimization of operating margin and efficiency, with 5 expertises of excellence: Innovation, Procurement, Supply Chain, Operations and Sales & Marketing. Founded in 2007, KEPLER now employs about 90 coworkers spread over 4 offices (Paris, Chennai, Shanghai, Chicago), and a network of partners in more than 15 countries.

KEPLER operates mainly in industrial sectors (automotive, railway, aeronautics, consumer goods), and agri-food, energy, health, cosmetics, luxury and retailing sectors.

With its result-oriented field approach, KEPLER deals with the issues of large French and Anglo-Saxon companies, but also mid-sized companies and investment funds.
